San Miguel de Abona, June 17, 2026

Dear Owners,

In order to promote sustainable habits and reinforce our commitment to environmental protection, we would like to remind you of the importance of properly separating waste and making responsible use of energy resources.

Below is a brief reminder of good environmental practices that will help maintain a cleaner, more efficient, and environmentally friendly community.

RECYCLING

 Small actions, big impact!

WHICH BIN DOES IT GO IN?

PAPER (Blue Bin)

- ✓ Sheets of paper, envelopes, cardboard, notebooks
- ✗ Not accepted: dirty paper, used napkins

PLASTIC AND PACKAGING (Yellow Bin)

- ✓ Plastic bottles, cans, packaging materials
- ✗ Not accepted: organic waste

GENERAL WASTE (Grey Bin)

- ✓ Non-recyclable waste

TONER AND INK CARTRIDGES

- ⊘ Do not dispose of them in regular waste bins
- ✓ Take them to an authorized collection point or use a special collection service

AIR CONDITIONING

- ✓ Keep the temperature between 24°C and 26°C
-  Helps reduce energy consumption and emissions

 With everyone's cooperation, we can maintain a cleaner, more efficient, and more sustainable community for present and future generations. **Thank you for your commitment and participation!**
